Copy of the letter from L.W.Pritchard Esq., I.C.S. Collector of Bellary, Ref.C.1830/38A-5 dated 29-5-38

Famine - Test work - Bellary-Siruguppa road - conversion into a relief work - sanction requested.

REF:- Board's Ref.M.No.1494/38-1 dated 19-2-38.

The test work Bellary-Siruguppa road work sanctioned in the Board's reference quoted above was started on 26-4-38. In the beginning the numbers on the charge ranged from 600 to 800. The number has gradually increased and it is now more than 1800. The proportion of men to women is also fairly high. The increase in number in spite of full task imposed indicates that distress is acute in the locality which justifies the conversion of the test work into a relief work. I recommend that the Board may be be pleased to sanction the conversion of the test work into a relief work under section 53 of the Famine Code.
